

Dear Sirs,

We require some important information from you so that we can reliably and efficiently carry out the installation on your existing or new system.

Please read the following questions carefully, tick the applicable statements and describe any deviations that exist in your firm.

After you have completed this checklist, please return it to the project manager by fax or eMail. Please note that we are unable to carry out the installation without the checklist completed by you.

If you have any questions about the checklist please contact the project manager or the HEWI ES Hotline on Tel. +49 (0)5691 82 200 Fax. +49 (0)5691 82 400
