

Dear Sirs,

You should inform your IT experts of the pending installation in advance to ensure we can carry out the installation on your existing or new system securely, reliably and efficiently.

Before installation, please forward this information and these notes together with the completed checklist 'CL01 System Requirements' to the IT experts responsible for you.

If you have any questions about the information below please contact the project manager or the HEWI ES Hotline on Tel. +49 (0)5691 82 200 Fax. +49 (0)5691 82 400.

A Project Manager

A.1	Name	eMail
A.2	Phone	Fax:

B User

B.1	Name	eMail
B.2	Phone	Fax:

C Installation date

Property / Location

C.1		
-----	--	--

D System Components (hardware and software, without identifiers, without fittings)

D.1	PC Hardware	Not included in the scope of supply!		
D.2	PC Software			
D.3	Microsoft.NET	Framework 2.0	SP 1	eLOCK Setup
D.4	Microsoft Internet Explorer	6.xx	SP 1	eLOCK Setup
D.5	Microsoft MDAC Refresh	02. Jan	SP 1	eLOCK Setup
D.6	Microsoft SQL Server Express	2005	SP 2	eLOCK Setup
D.7	Microsoft Visual C++ Runtime	8	SP 2	eLOCK Setup
D.8	Microsoft Windows Installer	3.0, 3.1		eLOCK Setup
D.9	Microsoft XML Parser	6		eLOCK Setup
D.10	Microsoft Active Sync	04. Jan		eLOCK Setup
D.11	HEWI PS USB driver			eLOCK Setup
D.12	HEWI eLOCK Center	≥ 7.1.C		eLOCK Setup / Application
D.13	Microsoft Management Studio Express			Recommended for remote support
D.14	HEWI Active Global Support by Netviewer			Recommended for remote support
D.13	PDA Hardware			
D.14	HP iPAQ hx2490b	Vers. 1.0; ROM 192MB; RAM 64MB; operating system CE 5.0		
D.15	Docking station	USB connection cable with PC included in the scope of supply.		
D.16	Compact Flash interface CF2	Connection with the CF adapter		
D.17	PDA Software			
D.18	HEWI eLOCK Mobile	≥ 1.0.0.51		Application
D.19	Accessories			
D.20	HEWI programming station	USB connection cable with PC included in the scope of supply.		
D.21	HEWI CF adapter	Interface for communication between PDA ↔ fitting		

E Start Data (delivered state)

E.1	Login 'admin'; password: 'admin1'; PIN: '1'	Authorisation: System installation and administration
E.2	Login 'user'; password: 'user1'; PIN: '1'	Authorisation: Lock plan management and programming

F Standard Directories (different directories can be defined in an individual case)

F.1	PC application	C:\Programme\HEWI\eLOCK Center 7.1\LockCenter.exe
F.2	Automatic complete backups (last 5 rolling database backups)	C:\Dokumente und Einstellungen\All Users\Anwendungsdaten\HEWI\eLOCK Center\MandantBackUps\rotate
F.3	Import logs (for Import HEWI Key 5 only)	C:\Dokumente und Einstellungen\All Users\Anwendungsdaten\HEWI\eLOCK Center\importLogs
F.4	PDA application (Programs File Explorer)	☞ HEWI eLOCK Mobile Mein Gerät\Programme\hewi\eLOCK Mobile

Thank you for your cooperation Further information is available, among other things, on www.hewi.de
